**Closing in Morrow.**  
The Sheriff's office has made in a recent issue that Sheriff Shutt had postponed in Morrow county Sunday, to refrain from all habitual drunkards, the effect of December 5.

**Two Dwellings Burned.**  
An alarm of fire last night brought out the department to the corner of Fourth and Church streets, and when they arrived on the scene they found the residence of Alonzo Mitchell a mass of flames. Both Mitchell's residence and that of Mrs. E. E. Beggs adjoining, were completely gutted, nothing but the walls remaining. Through the assistance of the neighbors most of the furniture in both houses was saved.

**Columbia County Barley.**  
The fame of Columbia county barley is rapidly extending and now the United States government is making investigation as to why this cereal arrives at such perfection in this section. Mr. Jacob Weinhard has received a request from Mr. Robert Wahl, a government expert, for a sample of the soil on which this barley is grown, a sample of the barley, and a sample of the malt made from it. The soil was taken from a field in the vicinity of Turner station and the three samples have been forwarded, and will be analyzed.—Dayton Courier-Press.

**Finger Cut Off.**  
While Mrs. Thomas Flanagan was cutting meat with an ax on a table the other day the ax came off the handle and in its flight cut off the first and second fingers of her son's hand. The boy was standing near the table and it is supposed had his hand on the table. The index finger of the child was severed entirely, but the second finger, which was hanging by a small piece of cuticle was saved on by Dr. MacLachlan again and may be saved.—Dayton Courier-Press.

**Had Several Bones Broken.**  
Billy Nell met with a painful and serious accident yesterday while going up the grade with a big load of freight. He had taken the two loaded wagons up hill separately and was between them making a coupling, when the team backed too suddenly and was unable to stop in time. Nell was caught between the heavily loaded wagons. He had several ribs and his collar bone broken, besides some severe bruises.—Prineville Review.

Nearly all the articles displayed for sale have been disposed of, and the refreshment booths have been well patronized. The place was crowded last night. A pleasing musical and literary program will be rendered this evening.
